I have attached a copy of the construction release for the **Stone Garden**, located at 5726 Market Street. **Please make note of the conditions for the release as they appear on the attached release letter.** These conditions must be followed and met in order for the construction to be approved. ***Prior to beginning any construction or grading on the site, you must have a pre-construction meeting between City staff and the project's representatives. Any violation of this condition will result in an immediate stop work order and other civil penalties.***

All construction on the site must be in accordance with the City of Wilmington standards and the approved construction plans stamped by the City. Any trees and areas designated to be saved or protected must be properly barricaded and/or marked throughout construction. To arrange for these inspections please contact Traci Lunceford, Zoning Inspector, at 254-0900. Ms. Lunceford will coordinate the final inspections and provide a punch-list to the Developer within 5 working days. Upon correction of the punch-list items a final inspection will be performed. If the inspection is passed then the Zoning Inspector of the City of Wilmington will be notified of the inspection approval for this development. ***NOTE: The Zoning Inspector will not sign for a Certificate of Occupancy until both the requirements of the City of Wilmington's zoning ordinance and Construction Management division are satisfied.***

Please contact our office at 254-0900 to schedule the preconstruction meeting and if you have any questions or concerns regarding this information. The City thanks you for your investment in our community and looks forward to working with you towards construction of a quality development project.
