■ **COTTAGES AT COLLEGE ACRES [TRC Plan Review #7]**

TECHNICAL STANDARDS – [City/ADA standards]:

1. If a commercial driveway will not be provided with stop control, ADA detectable warning domes/mats are not required and shall not be installed.
2. Remove the graphics for detectable warning domes shown at the connection of internal and external sidewalk at the corner of the driveway.

A separate revision is not required for above changes and can be included in the signature set. Please let me know if you have any questions.
