↻ Initial Review Note ↻

All comments are based on adopted policy documents, specific City of Wilmington Land Development Code (CofW LDC) and City of Wilmington Technical Standards and Specifications Manual (CofWTSSM) requirements in effect at the time of this review. These have been noted after the comment as appropriate for your ease in further research.

**TECHNICAL STANDARDS:**

1. For the existing driveway on Physicians Drive, a new sign has been incorrectly located and installed at the driveway that falls within the sight distance triangle. This sign will have to be relocated. Any trees that were planted within the SDT will also have to be relocated.

Please let me know if you have any questions or if I can be of further assistance as this development moves through the review process.
