■ **CHIC-FIL-A [TRC Plan Review #2]**

TECHNICAL STANDARDS:

1. Show and apply the City's 20'x70' sight distance triangle at each driveways as per below image in site plan and landscape plan. [\[Sec.18-529\(c\) \(3\) CofW LDC\]](#) [\[Sec. 18-812 CofW LDC\]](#).

To be removed:

Site plan shows the details of crosswalk. Please remove the note 'City of Wilmington Crosswalk' because that image was provided for the reference only from ADA standards and it is not City of Wilmington standard details.

You may revise the above with the final submission and a separate revision is not required. Please let me know if you have any questions.
