TECHNICAL STANDARDS – PARKING:

1. The area adjacent to the outside Open Air Patio Dining Area shows what is called ¼" X16" Vertical Metal Curb that is used for positive drainage. The technical manual does not use this type of material as curbing. Please define the purpose for this material.
2. If the ¼" X16" Vertical Metal Curb that is a landscape buffer or border, please label it as a border or buffer and not as curb.
3. No Further Comments.
