---

Engineering has reviewed the plans for the Triangle Rent-a-car and have the following comments:

1. Please show the proposed r/w line. Eng may have additional comments when the driveways are re-aligned with the new r/w location.
2. Please add the amount of (on-site) newly constructed impervious area as well as the net increase to the site data table.
3. Please remove the two existing (Engineering) approval stamps and add the attached “no plan required” approval stamps on each sheet,

Please call or email if there are any questions. Thank you.
