Subject: Eng Review - Schwartz Center
Date: Wednesday, August 09, 2017 8:42:00 AM
Attachments: [image001.png](#)

Engineering has reviewed the submittal for Schwartz Center Renovations and Additions from 08/01/2017 and has the following comments:

- Please adjust project boundary callouts to clarify project boundary location.
- A revised submittal does not need to be sent to Engineering. Engineering will check for the callout revision at final signing. Engineering review is complete.

Please let me know if you have any questions or concerns.

-Trent
