

Engineering has reviewed the 07/22/2019 submittal for the Mayfaire Self Development project and offers the following comments:

1. This project will be processed as a drainage plan. Please replace the stormwater management approval stamps with drainage plan approval stamps on all sheets in the plan set
2. **Stormwater Permit Application Sect. II, #1:** Please list the corresponding State permit numbers.
3. **Stormwater Permit Application Sect. II, #2:** Please list the corresponding State permit numbers.
4. As a request, please provide Engineering with a copy of the State stormwater permit revision once received.
