

Engineering has reviewed the plans for the Sir Tyler Drive Parking Lot Expansion project submitted August 9, 2019 and have the following comments:

Stormwater Management Permit Application Form

1. II. Permit Information: #1: This is a permit modification of the existing Wilmington Regional Association of Realtors SW permit. Is the name of the project to change to Sir Tyler Development LLC or is that a typo?
2. III. Contact Information: #1: Need contact information (Phone, fax, email) for Chris Livengood.

Wetland Determination

3. **Placeholder:** Jurisdictional wetland determination to be submitted once available.
4. No further comments from Engineering.

Please submit revised documentation to Engineering for additional review. Please call or email if there are any questions. Thank you.
