

Project Name: 240 Racine Drive Office Modification

Reviewer: Eric Seidel, PE

Department: Engineering – Plan Review Section

1. Provide \$100 Minor Construction Modification Review Fee.
2. Update Site Data Table. It looks as though the reduction in dumpster area may be equivalent to additional sidewalk area – if so, Data Table can remain the same.
3. If Impervious areas have changed provide updated Stormwater Application page 3 and Supplement.
4. No Further Comments.
