TRC Planning Review 11/13/18

Brian Chambers, 910.342.2782, brian.chambers@wilmingtonnc.gov

Comments:

- Include building elevations with final plan set.
- Be sure that signature blocks are included on all sheets.
- Identify method for tree mitigation. Will trees be planted or a PIL posted? If trees to be planted identify on landscape plan. These trees must be in excess of all other planting requirements.
