TRC Planning Review 10/26/18

Brian Chambers, brian.chambers@wilmingtonnc.gov

Planning Comments:

- Tree removal/preservation permit is required.
- A landscape plan is required. Please keep in mind that the landscape requirements may result in modifications to the overall site plan.
- Consider landscaped allee along pedestrian connection at main entrance on Oleander Drive.
- Please remove CFPUA (water/sewer utility) sheets from future city submittals.
