Re: Massengill's Garden Center Plan Rev. 2

The following is a list of comments for review from planning regarding the project. Please provide your corrections as listed below. Additional review will be required once all the needed documents have been provided. Items or documents not provided on initial submission will be subject to further review. Please contact me for any further questions.

Site Plan Comments:

- Sec. 18-462 (d) (6): Show details of required landscaping showing species, dimensions, and spacing of planted materials and the use and protection of existing vegetation.
 - **Comment: In the planting schedule, please include the minimum caliper and size of all trees and shrubs (Sec. 18-488). For all future cases, please note the minimum size and number for all required plantings, along with the proposed number. Zoning inspections will only inspect the minimum size and numbers of plantings shown on the plan.**
 - **Comment: Selection of plant materials shall follow the list permitted in the City's Technical Standards. Many of the proposed trees and shrubs are not shown on the list. (Link to technical standards: <https://www.wilmingtonnc.gov/home/showdocument?id=1910>)**
