Construction Plan Comments

- Update general notes (CS-100). *Not a Cluster Subdivision*.
- Road names will need to be established prior to construction release. Please provide Michele Hutchinson (Addressing Coordinator) with a list of potential names.
- Street trees on existing portion of Watercraft Ferry are Zelkovas. Please confirm with Aaron Reese if we want to continue the same species along new portion of Watercraft Ferry.
- Please explain why there appear to be gaps in the street trees in several areas.
- Add tree mitigation calculation to plan set.
- Identify method of tree mitigation.
