

1. The Comprehensive Greenway Plan identifies a Multi-use Trail within the City of Wilmington Transportation Bond Projects along the frontage for this property.
2. Sea Hawk Cove will be responsible for coordinating with the city for the construction of this portion of the Trail or providing a payment in lieu for this portion of trail.
3. Please coordinate with the WAVE Transit planner to ensure the location of the bus stop is not disrupted by this project.
4. If the bus stop is moved further north, please coordinated the final bus stop location with the City of Wilmington and WAVE Transit.
