Re: Woodlands at Echo Farms Phase 3B

The following is a list of comments for review from planning regarding the project. Please provide your corrections as listed below. Additional review will be required once all the needed documents have been provided. Items or documents not provided on initial submission will be subject to further review. Please contact me for any further questions.

- No further comments on Site Plan as revised 4/18 and landscape plan as revised 5/29
- Confirmation from all TRC members and all applicable permits are required prior to construction release
