GENERAL NOTES:

- The proposed left turn lane is required to meet City of Wilmington Technical Standards and MUTCD requirements.
- The Walk Wilmington plan and Comp Greenway plan call for a future MUP along the River Road frontage of the Marshes. There are no funded plans for the MUP connection from Independence to the Riverlights MUP. The City would prefer construction of this required sidewalk from Independence to the Phase 3 entrance to provide a more immediate connection between Phase 3 portion of the project and the neighborhood amenities and park project within Echo Farms.
- City staff is willing to accept a payment in lieu for the portion of the sidewalk between the Ph 3 entrance and the bridge. The developer desires to submit such a payment-in-lieu (PIL).

A PAYMENT IN LIEU OF CONSTRUCTION FOR THE ORIGINALLY APPROVED 5' SIDEWALK ON INDEPENDENCE IS IN PLACE
